

TE1091 Strain relief for connectors

Application	
Application	A set wire inserts fitted in the entrance hole of the connector will provide a very good strain relief without any protruding parts from the connector.
Connector	Fits miniature or standard connector
Temperature rating	
Temperature limit	Maximum 120°C
Material	
Material	Thermoplastic material with a round or oval hole to fit around a specific wire.
Diameter ID	
Miniature connector	Round 1.0mm, 3.5mm or oval 2.0x1.5mm
Standard connector	3,5mm round or oval 2.0x1.5mm
Mounting	Top and bottom part for easy mounting over the wire
Ordering	Specify M for mini or S for standard, and the hole diameter
